

FAA Building Address:  
**1601 Lind Ave. S.W.**  
**Renton, WA 98055-4056**

Driving directions from SeaTac airport to the FAA building.

- From the SEATAC Airport follow signs to the highway
- Take I-405 Renton (It will be the middle lane - the left lane will take you North on I-5 and the right lane will take you on South I-5)
- Exit on Tukwila (exit 1)
- Left at the light (W. Valley Hwy/Interurban Rd)
- go underneath the bridge
- Make a Right after going underneath the bridge (Grady Way)
- Right on Oaksdale Ave SW
- Left on SW 16th Ave
- Right on Raymond Ave ( on left side you'll see guards near a shack)\*\*
- Have Photo I.D. available
- Go into the parking lot
- Park near entrance

\* \*\*You can also park next door at the Wizard's parking lot (a pavement away from FAA parking lot entrance) without going through the guards, but you'll still need photo I.D. to get into the FAA Building.
